Vip è un programma a contenitori accostabili che si caratterizza per l'ampia componibilità, ed è nato con l'obiettivo di sfruttare al meglio lo spazio disponibile, sia nella zona giorno che nella zona notte, grazie a ben 9 altezze, 4 profondità e 3 larghezze. Completo con 4 colori di struttura, 14 colori melamminici e 24 colori laccati; l'ampia varietà dei laccati permette di arricchire il mobile con i gusti e le tendenze del momento. Vip è un sistema accompagnato da funzionalità e praticità.

Per comodità, di seguito illustreremo il programma dividendolo in base alle **4 profondità**, e soluzioni annesse.
